National Retail Dealership Accreditation Program – SA (RDAP - SA)

Caravan Industry Association of Australia – National Retail Dealership Accreditation Program (RDAP) fits with our goal to develop leadership and professionalism within the caravanning and camping industry. As part of this program, a set of conditions peculiar to each state have been developed around the core criteria of RDAP.

RDAP – SA is to be used by South Australia owned and/or based businesses, or an interstate business who can demonstrate that a significant proportion of their business activities are conducted in South Australia.

Retail Dealerships applying for accredited status in RDAP - SA should be able to confirm adherence to the following:

- Operate out of a fixed business address;
- Employ Full-time onsite sales persons;
- Have caravan (including camper trailers, tent trailers, pop-tops, 5th Wheelers and similar) and motorhome sales comprising a significant component of business being conducted within the dealership;
- The stock holding owned and/or under floor plan (or some other financial arrangement) must exceed the stock held on consignment
- Have a commitment to sign and execute a Licence agreement;
- Undertake to pay all relevant fees as set out within RDAP – SA;

The decision whether or not to accept an application for acceptance into RDAP-SA is at the sole discretion of Caravan Industry Association of Australia without need to give reasons.

Retail Dealerships applying for accredited status in RDAP – SA acknowledge that:

- RDAP-SA only applies to the retail sale of goods component of the dealership. This does not cover any service facilities which would be subject to separate service accreditation by Caravan Industry Association of Australia;
- Accreditation under RDAP – SA will only be considered following an on-site review against the criteria has occurred. Further, those businesses accredited under RDAP – SA will be subject to an on-site review against the criteria at least once every twelve (12) months as a condition of remaining accredited within the program;
- For the purposes of entrance fees and annual fees, those businesses which are currently subject to any Caravan & Camping Industries Association of South Australia Inc probationary period will not be eligible for the state association pricing discount under RDAP - SA; and
- Being accredited under RDAP – SA does not automatically entitle access to member discounts on space charges at consumer shows, nor does it guarantee show space, or preferential treatment when it comes to the allocation of show space.

These requirements are in addition to the accreditation criteria set out below.
