

FUTURE LEADERS  
**BEHIND THE SCENES**  
MELBOURNE-12 NOVEMBER 2018

This event is designed to broaden the minds of our Future Leaders and provide exposure to different sectors of the industry. We hope this will be part of series of ongoing projects throughout the year which will allow Future Leaders to be exposed to the diversity of our exciting industry sector and prepare them for leadership roles in the future.

We are lucky enough to have wonderful businesses that are eager to support the development of future leaders of the industry. Thanks to this support, the cost of attendance is free. The only requirement is that you are under 40 and can get yourself to Melbourne on the day.

The day will comprise of five different site tours incorporating manufacturing, suppliers and manufactured housing, with a bus taking the attendees between each location. This event leads into the Industry Symposium on 13th of November which we hope attendees will stay on for and participate in, Future Leaders attending both events are eligible for a discounted rate on the symposium of \$110.
